

**AMENDMENT OF THE RIGHT-OF-WAY LEASE  
FOR THE  
TRANS-ALASKA PIPELINE  
ADL 63574**

This is an Amendment to Exhibit D Description of the Right-of-Way for Related Facilities of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE dated May 3, 1974, ADL 63574, which was recorded in the Fairbanks Recording District in Book 149 Pages 0799 through 0905 on July 16, 1979, hereinafter referred to as AMENDMENT. This AMENDMENT is made and entered into and becomes effective this 19th day of March, 1999 by and between the STATE OF ALASKA located at 411 West 4th Avenue, Suite 2C, Anchorage, Alaska 99501 acting through the Commissioner of Natural Resources hereinafter referred to as COMMISSIONER, and Alyeska Pipeline Service Company as agent for Amerada Hess Pipeline Corporation, ARCO Transportation Alaska, Inc., BP Pipelines (Alaska) Inc., Exxon Pipeline Company, Mobile Alaska Pipeline Company, Phillips Alaska Pipeline Corporation, and Unocal Pipeline Company located at 1835 South Bragaw Street, Mailstop-596, Anchorage, Alaska 99512 hereinafter referred to as LESSEE.

WHEREAS, the LESSEE has applied to amend the existing Right-of-Way Lease ADL 63574 to include additional shore land for the purpose of enhancing the protection of the above ground Trans-Alaska Pipeline System by constructing and maintaining a 900 foot long river bank revetment structure along the east bank of the Middle Fork Koyukuk River at pipeline milepost (PLMP) 218.5. The revetment will enhance the integrity of the pipeline by preventing further river bank erosion at this location by control of the meandering Middle Fork Koyukuk River. The construction of this revetment will increase the buffer to the above ground pipe approximately 250 feet at the upstream end and 200 feet at the downstream end.

NOW THEREFORE, the COMMISSIONER and LESSEE agree to amend the RIGHT-OF-WAY FOR THE TRANS-ALASKA PIPELINE, ADL 63574 to include the shorelands within the Fairbanks Recording District described as:

Township 31 North, Range 11 West, Fairbanks Meridian, Alaska.

Section 25, SW4, those lands below the ordinary high water mark of the Middle Fork Koyukuk River within the following described area;

Beginning at a point on the centerline of the Trans-Alaska Pipeline at AP-325-1, the point of beginning, thence N37°11'05"W a distance of approximately 800 feet to a point, thence S52°48'16"W a distance of approximately 1300 feet to a point, thence S37°11'44"E a distance of approximately 900 feet to a point, thence N52°48'16"E a distance of approximately 1300 feet to a point, thence N37°11'05"W a distance of approximately 100 feet to the point of beginning, containing approximately 15.0 acres.

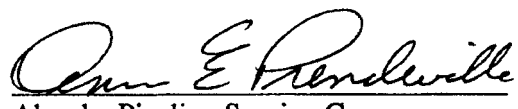

The lands described above are incorporated into and made a part of the RIGHT-OF-WAY LEASE FOR THE TRANS-ALASKA PIPELINE dated May 3, 1974, ADL 63574. This AMENDMENT shall be consummated after the issuance of the Notice to Proceed; construction of the revetment structure; the Commissioner's approval of the as-built drawing which will be tied to the pipeline centerline; and Alyeska's acceptance of the Commissioner's approval of the as-built.

IN WITNESS WHEREOF, the COMMISSIONER AND LESSEE have affixed their signature to duplicate originals of this AMENDMENT as of the date first above written.

STATE OF ALASKA

LESSEE

  
John Shively  
Commissioner  
Department of Natural Resources

  
Alyeska Pipeline Service Company  
Agent for  
Amerada Hess Pipeline
